## DRY LAND DISTILLERS CACTUS

ORIGIN: Colorado, USA

AWARDS: Bronze Medal, 2018 International London Spirits Competition

TECHNICAL DATA: ABV 40%

An authentic, unique spirit, Dry Land Distillers Cactus is distilled from native prickly pear cactus. We use a process similar to Mezcal, smoking the cactus over a mesquite wood fire to create an earthy, smoky, and complex spirit. It pairs wonderfully with citrus, seafood, chiles, and strong, spicy flavors.

### TASTING NOTES

Smooth, complex, and smoky, Dry Land Distillers Cactus is similar in style to ultra-premium Mezcal. The spirit is built on the earthy overtones from the cactus with subtle smoky and sweet notes. It is thoroughly enjoyable neat, on the rocks, or as a fresh, new base for classic cocktails such as palomas, margaritas, and mules.

## DRY LAND DISTILLERS HEIRLOOM WHEAT WHISKEY

ORIGIN: Colorado, USA

AGE: 6 - 9 Months in New American Oak Barrels

TECHNICAL DATA: ABV 40% - 42% (Varies by Batch)

Dry Land Distillers 100% Heirloom Wheat Whiskey is an American sipping whiskey made with grain from the desert of the southwest. The grain we use has never been distilled before, and it is believed to be the mother wheat strain of all the commercial wheat grown in the western US. It is a silky, elegant spirit that is perfect on the rocks or in your favorite classic cocktails.

### TASTING NOTES

Smooth, elegant and complex, Dry Land Distillers Heirloom Wheat Whiskey is crafted to highlight the grain's natural vanilla and caramel notes. The new American oak barrels are lightly charred to enhance the sweetness in the whiskey while adding cinnamon and spice overtones that increase depth and complexity.
